

This is an introduction to the Keweenaw Unitarian Universalist Fellowship (KUUF) library. The mission of the KUUF library is to increase religious literacy among patrons, to make a positive difference in the lives of our members and to help them on their journey.

Below is a list of our holdings which are available to borrow. You can browse or search this list. To conduct a search, use 'Ctrl-F' to open the 'find bar.' Type the word that you are searching, and the system will highlight the words that match, one at a time. Then you can use the arrows to jump from word to word. Browse or borrow books and other materials from the cupboard by the TV in our BHK meeting room. The checkout procedure is quick and easy, and instructions are in the cupboard with the books.

This first section of the library list contains items that are related to Unitarian Universalism, arranged in alphabetical order by subject. These are the “category” of “UU”. The second section of the library list contains items that are religious in nature, but not directly related to Unitarian Universalism, arranged in alphabetical order by subject and categorized as “non-UU religious”. The third section are miscellaneous items that fit the mission of the KUUF library.
