

604 Bridge Street Updates

Light fixtures installed in bathrooms and hall way storage area

Bathroom fans salvaged for reuse

Office space off the sanctuary has walls and a new ceiling with insulation.

Walls are prepped and awaiting paint in the middle office

Hall way storage area is painted and painting has begun in the hallway

Trim is complete in the entry

Baseboards repaired in the community room.

Deck has been installed over the middle storage room making room for even more storage

Accessible sink has been installed in the ADA bathroom

Finishing work completed on sanctuary and office window boxes and sills

Concrete work on the floors in the entry and ADA bathroom is finished

Thanks to all of our volunteers, and continued gratitude for the constant efforts of our construction crew – Paul, John, Bob, Elen, and Bucky.

Lora
